Herd Bull References:

Harvey- LHT Dream Order 03D - ASA# 3134223, PB SM.

Sire- Executive Order, Dam (JF Milestone) Harvey is our \$ 12500 purchase as a calving ease PB SM. Super fronted, big footed and sound.
One of the few PB SM's where you can breed to heifers and sleep through the night. Have a very attractive look and plenty of growth.

Julio- GCC Total Recall A764, AAA# 18079406 PB AN

Sire: GCC Total Recall, Dam (DCC New Look) Julio was our PB Angus herdsire and a \$ 10500 purchase at a previous GTG Bull Sale.
He was the closest thing to his Sire we have seen in both his phenotype and progeny. We lost Julio last Fall and he will be sorely missed. But our herd is full of his daughters.
Very maternal with calving ease and look.

Waldo- VCL Statesman 737E- ASA# 3323026 PB SM

Sire- CCR Vision Dam- Foxy Lady 1B (Hoc Broker) Waldo has earned his tattoo of 737. He is big topped, big footed and as thick as you can make one, yet very moderate in frame.
He has a very extended frontend and comes from Voglers Foxy Lady donor cow.
