JS Black Satin 9B “Boots”

Lots 1001–1007

“Boots,” wore purple more than most, winning the Triple Crown of the show world—Kansas City, Louisville and Denver, and was the only female ever to win the Junior National that same year. She is one of the most incredible females we have ever been associated with. We knew she would do great things, but even we didn’t realize she would breed so true. Her daughters are something to behold. Jimmy Choo sells as Lot 28.
